Amptelike Program  
Official Programme

30c

*This Programme is dedicated to Dr. Danie Craven. Dr. Craven was this year elected as President of the S.A. Rugby Board for the 25th executive year, which is a particular achievement.*

*Dr. Craven het vroeër jare die Oos-Transvaalse Rugbyunie op die S.A. Rugbyraad verteenwoordig en daarom voel Oos-Transvaal baie gelukkig dat hy 'n aandeel kon hê in die feit dat Dr. Craven President van die S.A. Rugbyraad kon word.*

*Dr. Craven, one of the most distinguished figures in S.A. is a particular type of person with tremendous dedication. The brilliant result being the presence of the British Lions' Team in S.A.*

*We applaud this great Sportsman and brilliant Administrator at both National and International levels.*
