THE HAPPY CENT

We have a need for money in our pockets nearly every day. So in what more frequented or accessible place might we carry a daily reminder.

The Happy Cent has been transformed from a genuine U.S. minted one cent piece. Carried in a pocket, wallet, or on a chain the smiling face will serve as a constant personal reminder of the many small reasons we have to rejoice in every day. Since the name of Lincoln typifies the compassion, integrity and kindness intended to be conveyed by this simple token, the Lincoln Penny was the logical choice to depict this thought.

"It is difficult to make a man miserable while he feels he is worthy of himself and claims kindred to the great God who made him."
